Dixon, IL – The Illinois Department of Transportation announces today that temporary traffic signals will be in operation on US 6 under I-74/I-280 east of Coal Valley beginning on Friday, October 28, 2016. Venus Painting Company is painting the I-74/280 bridge. Traffic will be restricted to one lane on US 6 while the areas directly above the US 6 roadway are painted one lane at a time.

Motorists should be prepared to stop as they approach the work area. The temporary traffic lights are scheduled to be removed on Sunday, November 6, 2016. Drivers should be alert for construction activity in the area for the next several weeks as the contractor will be painting other sections of the bridge after the traffic signals are removed.

Please slow down and use extreme caution while driving through all work zones.
